DANIEL V. MOTT.

DOMINION ORDERS IN COUNCIL.

[2105]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of September, 1900.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS section 11 of the Regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, the North-west Territories, and within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, established by the Order in Council of the 1st July, 1898, as amended by subsequent Orders in Council, provides that the dues on square timber and saw logs of poplar shall be \$2.00 per thousand feet B. M., that the dues on square timber and saw logs of pine, cedar, spruce, tamarack and other woods unenumerated shall be \$2.50 per thousand feet; and that the dues on square timber and saw logs of oak, elm, ash or maple shall be \$3.00 per thousand feet B. M.:

And whereas it has been found that the number of permits issued to cut square timber and saw logs upon the payment of dues at the above rates have become less each year, and as it is desirable in the public interest to encourage the establishment of small mills in outlying districts, with a view of securing to the settlers a fairly cheap supply of lumber,—

Therefore, His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the dues on square timber and saw logs of any wood excepting oak shall be and the same are hereby reduced to \$1.50 per thousand feet B. M., the dues on oak to remain unchanged:

And whereas provision is made in the same section of the Regulations "that returns of board measure to be made by 'Scribner's log rule' if the timber is

cut in Manitoba or the North-west Territories, and by the British Columbia log scale if it is cut within the Railway Belt in British Columbia":

And whereas it appears that very few of the persons who cut timber under permit, understand how to scale logs by "Scribner's log rule," and that the result is that very material errors sometimes occur,—

Therefore, His Excellency is pleased, by and with the advice of the Queen's Privy Council for Canada, to order that the section of the Regulations above quoted be reseeded, and that the following be substituted in its place:—

"Returns of board measure to be made by the British Columbia log scale if the timber is cut within the Railway Belt in British Columbia, but if the timber is cut in Manitoba or the North-west Territories returns are to be made of the quantity of lumber manufactured from the timber cut."

JOHN J. MCGEE,
Clerk of the Privy Council.

And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said City.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Mayor or Municipal Alderman, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act."

Until provision be made by by-law, in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges, and duties of the Mayor and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the said Province to be hereunto affixed: WITNESS, the Honourable Sir HENRI GUSTAVE JOLY DE LOTBINIÈRE, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this eleventh day of October, one thousand nine hundred, and in the sixty-fourth year of Our Reign.
